## Keith's Corner/McGill News

March 10, 2023

WOW-This Is #200

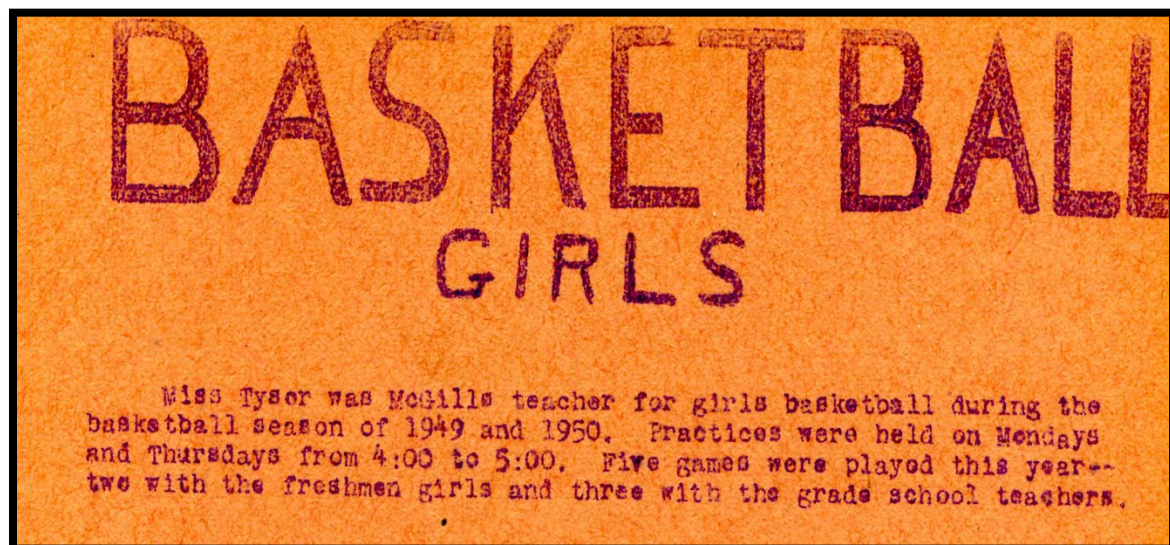

It was almost 4 years ago that I started with NL#1 on May 24, 2019 to be exact. It has been quite a journey. I have met many new people and renewed old friendships during that time. Writing something new each week gets harder and harder to do. Kinda, like getting out of bed early in the morning, as we get older.

Newsletter #1 went to 8 people in 2 states and now it goes to 192 people in 24 states and 3 countries (Spain, England and Japan).

So, here's a great BIG thanks to all my loyal readers. The fact that you keep reading this old McGill heathen's drivel, makes it all worthwhile.

## Growing Up With Sports III

As I promised last week, here is some stuff on girl's sports, at the McGill Grade School in 1949-1950.

These pages are from the 1950 McGill Grade School Yearbook, 'Whirlwind'. An appropriate name. I didn't save mine for some unknown reason. This copy was David Robb's.

I don't have a photo of the team, but I found this photo of a New Years Party 1949/50. It was the last day of the 1940s and Jerry Sandell had a party at his house on 1<sup>st</sup> Street.

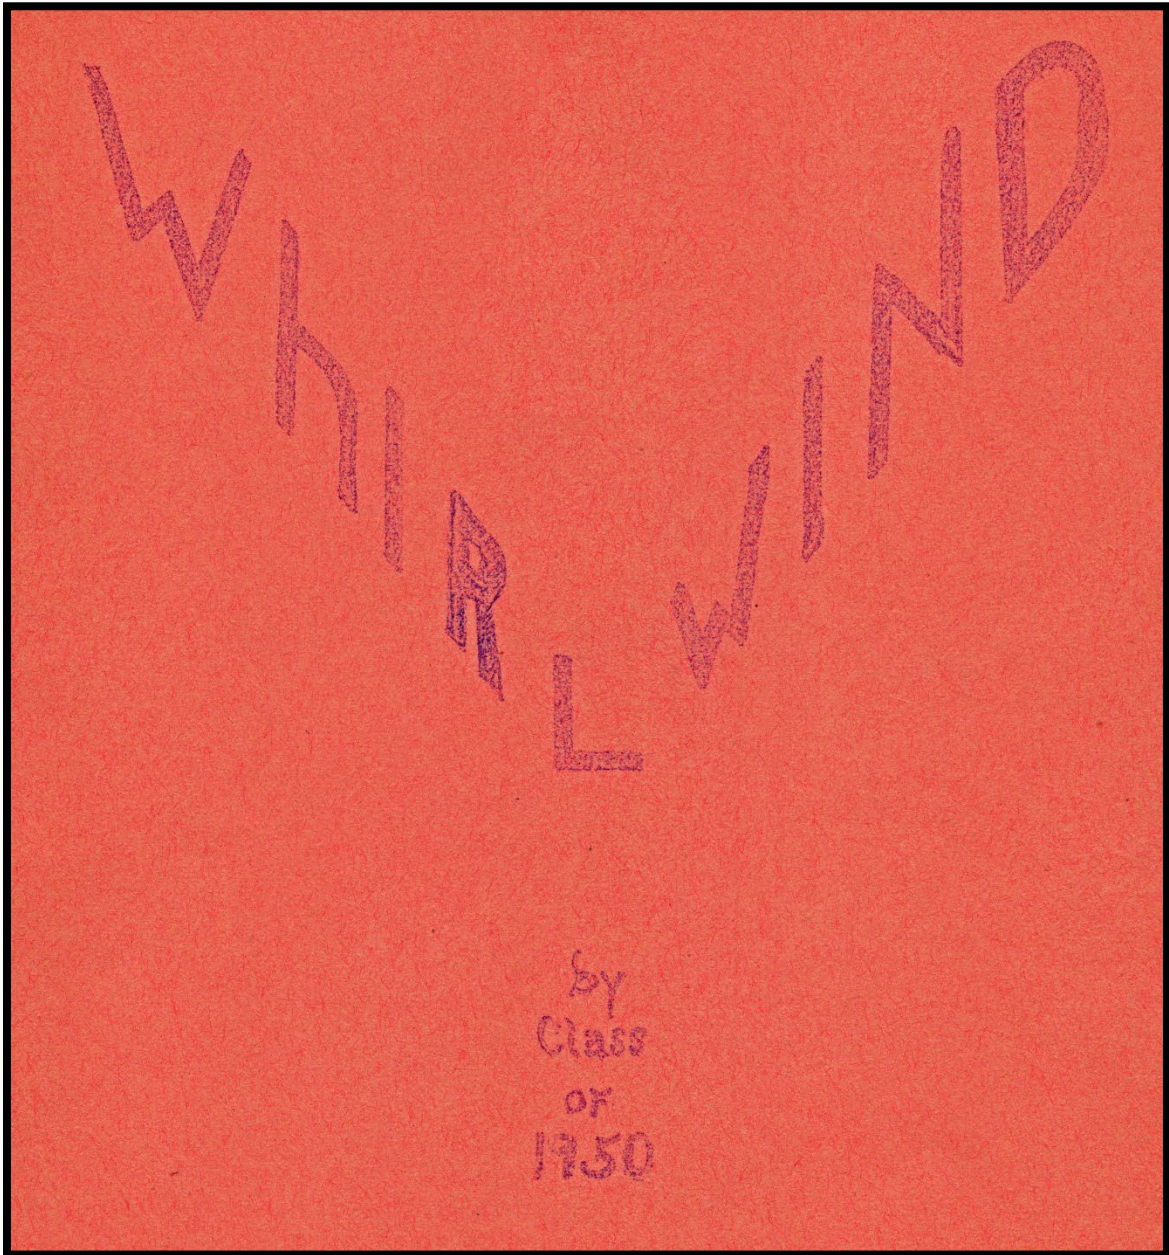

L-R front row---Pauline Schroeder, Toby Geld, Veoma Winn, Janene Assuras.

L-R Back row Zella Hall (not on team), Deon Cobb, Joan Papez

If anyone has some pictures of these girls, let me know.
